Police Disarm 'Cuban' Bomb

BEVERLY HILLS, Calif., Aug. 8 (AP) — A homemade bomb bearing a sticker reading, "Cuban Power," was disarmed last night outside a travel agency on Wilshire Boulevard.

Police said a night watchman saw the bomb's fuse burning and put it out.

The sticker indicated the bomb may have been placed by anti-Castro Cubans, police said. Similar stickers have been found at four of six sites where explosions occurred last month in the Los Angeles area.
